FMS Transition

FMS Transition

- The CHC FMS Transition was extended to a new Go-Live date of July 1, 2022.
 - Tempus and CHC MCOs priority is getting paperwork back from common law employers (participants) and their DCWs.
 - 80% Common Law Employers and 80% of DCW had returned information (packets)
- In-person meetings in June offered assistance to over 2900 members.
- Participants can contact their Service Coordinator for assistance in setting up and being trained on their EVV responsibilities.
- Participants or their DCWs can contact the MCO if they cannot touch base with their SC specifically

FMS Transition

- The most recent FMS Transition Stakeholder Meeting took place on June 17th.
 - The next scheduled Stakeholder Meeting will occur on July 1st.
- Tempus and the CHC-Managed Care Organizations (MCOs) are focused on improving communication, specifically call-center operations. Tempus is in process of onboarding more staff to take calls timely.
 - Callers should use Tempus' call back feature by placing calls early in the morning to assure a call will be returned same day.
